Support mural fixe micro-réglable X-Large Fusion

Chief XSM1U support pour téléviseur 2,08 m (82") Noir:

Chief a mis à niveau des supports muraux fixes en fonction des feedback des installateurs et de leurs observations directes sur le terrain. De nombreuses fonctions nouvelles rejoignent les favoris Fusion, par ex. Centerless shift, le réglage du niveau ControlZone et ClickConnect Latching.

Les nouveaux avantages comprennent la stabilité, une installation plus rapide, un décalage latéral amélioré, une gestion des câbles plus simple et une plus grande sécurité.

Ce support personnalisable Fusion fixe résout un grand nombre de problèmes d'installation des écrans plats et permet un ajustement flexible des écrans plats de grande taille avec une solution de montage basse.
